Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 CFR §§1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the reference listed on the attached PTO/SB/08. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the reference be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Information Disclosure Statement (IDS) is filed before the mailing date of a Notice of Allowance as far as is known to the undersigned (37 CFR §1.97(c)(2)). This IDS is accompanied by the appropriate fee under §1.17(p).

Applicant has submitted a copy of the cited foreign English language reference in accordance with 37 CFR§1.98(a)(2).

The applicants have noted the cited British reference was identified on an earlier search report in a counterpart foreign application. The reference appears to have inadvertently not been cited previously in this related U.S. application. The British reference may not be material to patentability in that it may be cumulative to earlier references cited

and argued during prosecution. The cited reference discloses a seat back connected to a base with a single hook with an opening that faces in one direction in its entirety. However, the reference is cited herein for consideration by the examiner.

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention, unless specifically designated as such.

It is submitted that the Information Disclosure Statement is in compliance with 37 CFR §1.98 and the Examiner is respectfully requested to consider the listed references.

Dated: January 12, 2006

Respectfully submitted,

By
